

August 3, 2009

Dear Youth Member:

The Varsity Reining Club (VRC) is a program created in 2007 for NRHyA members to receive recognition outside the show pen by completing numerous activities to help develop youth into the future leaders of tomorrow.

In the VRC you earn points by helping out at NRHA shows, doing community service, taking pictures, writing stories, and a whole variety of activities. Once you complete your project, you simply log on to the website and report what you did – it's just like keeping a 4-H record book or FFA supervised agriculture experience, except it's easier!

The VRC also has a great rewards program. Some prizes the VRC offers are t-shirts, travel bags, sweatshirts, jackets, free admission to the futurity and derby, and free stalls at the futurity and derby.

The VRC is very easy to register. Go to www.nrhya.com, then click on VRC and register! Easy as 1-2-3. This is my third year to participate in the VCR – and I've received great awards. I look forward to seeing more youth participate in the future. There's plenty of time left in 2009 to earn some great awards.

If you have any questions, please send me an email at meaghan_burns@hotmail.com or leave a message on my facebook or myspace.

Happy Trails!

Sincerely,

A handwritten signature in black ink that reads "Meaghan Burns". The signature is written in a cursive style.

Meaghan Burns
2009 NRHyA Vice-President
