

# West Texas Reining Horse Association

WTRHA is an affiliate of the National Reining Horse Association, and we are dedicated to promoting the reining horse in West Texas. Our grass roots organization hosts reining clinics, shows, and special events for the reining enthusiast.

Our association boasts members who are NRHA Futurity winners to weekend showmen and everything in between.

Come experience the excitement of reining and help continue the thrill for future reiners by contributing to WTRHA. Thank you for your support!
